

# Animal Report Research Guide

## To the Teacher

**Grade Level:** 3–6

### **Purpose**

This “Animal Research” worksheet is used to guide students in gathering information about their animals on the internet.

### **What to Do**

1. Students will choose an animal to research given the teachers criteria.
2. Using the following websites, students record information about their animals.
  - National Zoo: <http://nationalzoo.si.edu/Animals/AnimalIndex/mammalsalpha.cfm>
  - National Geographic: <http://www3.nationalgeographic.com/animals/>
  - San Diego Zoo: <http://www.sandiegozoo.org/animalbytes/index.html>
  - Enchanted Learning: <http://www.enchantedlearning.com/coloring/>
3. Students should note which website(s) they used and cite them on their reports.
